

# the HELICOPTER

The Rotary Club of Pensacola District 6940 Club 4248

## WEEK IN REVIEW 05/23/2017

The May 23<sup>rd</sup> Rotary Club of Pensacola was conducted at New World Landing on a typical late spring day. It was around 82 F, quite breezy, and clouds clearing to sun in the afternoon. **Blair Crooke** and **Vince Currie** greeted Rotarians and guests with bright smiles and a warm welcome. **David DeGallo** and **Tim Kane** offered a chance to win some cash (and help the Club) with the 50/50 ticket sales. The lunch buffet was well travelled by the time the meeting was called to order by our president, **Sherry Hartnett**.

Sherry led participants in the Four Way Test followed by the opening prayer and Pledge of Allegiance led by **Jimmy Jones**. Special announcements by Sherry included a reminder of the June 4<sup>th</sup> Family Event in which around 50 people have already registered and that the Board would meet later that afternoon for a regularly scheduled meeting. All ticket buyers waited anxiously as Sherry called out the \$44 jackpot winning number, which was held by **Betty Roberts**. **Alexis Bolin** handled the Sunshine report. We received a tidbit of interesting history for the use of "stories" in reference to multiple building floors and

a few real estate jokes. Alexis also recognized our four visiting Rotarians, three Rotaract visitors and those members celebrating birthdays. There was no birthday song though since the birthday folks weren't present. There were no military guests present for this week.

**Cat Outzen** was our guest speaker for the day. The subject was the Studer Family Children's Hospital at Sacred Heart located here in Pensacola. Cat is the director of community relations and children's programs. Sacred Heart recently has announced plans to care for a new generation of children starting with the construction of a new four-story Children's Hospital, along with a major expansion to women's services. Multiple pediatric and neonatal specialties will be housed together in the new building. There are currently 31 subspecialties.

The Children's Hospital is the region's only children's hospital, serving families across Northwest Florida, South Alabama and South Georgia across a 300-mile radius. The expanded Children's Hospital will increase access to specialized pediatric and maternity care and

consolidate inpatient pediatric services in one convenient location. The opening of the new Children's Hospital is expected to add 100 Sacred Heart jobs for the local community. This growth of healthcare services will also enable recruitment of new pediatric subspecialists. It includes three specialized ambulances, two for neonatal transport (at about \$600K each) and one for pediatric transport. The annual patient volume is very high. For example, approximately 24,000 children are seen at the free clinic and around 35,000 seen in the pediatric ER. Of these, about 60% in ER are on Medicaid and roughly 55% seen for other services are on Medicaid. The Children's Hospital is well on its way to achieving its vision to be the region's premier children's health system. Additional information is available at [www.sacred-heart.org/childrenshospital/](http://www.sacred-heart.org/childrenshospital/).

Sherry thanked our guest speaker, the members who served to help deliver another successful meeting, and the meeting was adjourned. Sunny skies with an occasional cloud met participants as they exited the building.

Randy Ray

## ROTARY WHEELS

- ❖ As the club seeks strong programs why not as county administrator Jack Brown for a peek at what's new and exciting?
- ❖ Hats off to Martha Saunders and other UWF folks involved with athletics. Look at the results: softball...golf...tennis and more. And maybe the club ought to be arranging for football tickets.
- ❖ Ken Fagan, who's our recent link to Salvation Army, might on day spin a yarn for us about how the Army came to Pensacola and has grown. That could be our lead to this year's bell ringing.
- ❖ Other prospects: recent club arrives Larry Perino and Matt Vinson, who might do a two man show on what Navy Federal's doing on the west side.
- ❖ Tuesday May 30th, we will be voting for the incoming on the incoming Officers and Board Members
- ❖ Mark you calendar for Sunday, June 4th, Family of Rotary Event at The Fish House Deck 4-6pm

## WELCOME NEW MEMBERS

**Allison Hill:** Allison is the current CEO/President of The Lakeview Center. She graduated magna cum laude at UWF receiving her BA in accounting and received her Masters degree in Accountancy two years later. She is married to Brian and has two children. Allison is past president of the Ronald McDonald House.
